

ABHINAV EDUCATION SOCIETY'S COLLEGE OF PHARMACY (D.PHARM)

PRESIDENT'S MESSAGE

Welcome

Dear Students!

We at Abhinav Education Society strive to nurture the youth to understand the meaning of Pharmacy in Indian as well as Global context with constant and consistent learning. The Pharmacists globally play distinct role of assisting the doctors as a very important link in the health chain. In other context the role of the pharmacists in Research and Development contributes tremendously in improving the quality of life of the general population. We need to focus on the global trend and create pharmacists with international appeal, role and status. Keeping this yardstick, the academic ambience of Abhinav Education Society's College of Pharmacy aims at creating maximum and diversified opportunities for aspiring professionals. It provides and triggers the young scientific minds to be abreast with latest happenings in science and technology of pharmacy and also to look beyond to all the developments that can change the face of the world of pharmaceuticals.
